

Wisconsin Association of Cheer/Pom Coaches, Inc.

endorsed by

Dear Prospective Vendor,

The Wisconsin Association of Cheer/Pom Coaches (WACPC), Inc. is holding their annual Coaches and Captains Conference at the Chula Vista Resort in Wisconsin Dells, Wisconsin on October 17th and 18th. WACPC is the state organization for cheer and pom/dance coaches and athletes. We are a not-for-profit organization that focuses on the education of cheer and pom/dance coaches and athletes throughout the state of Wisconsin.

At our conference we will be offering a variety of courses for the coaches and athletes to help with their current programs, or perhaps to help build a program. We will also be having a Vendor Fair in one of the ballrooms. This is an excellent opportunity for the vendors to meet the coaches and athletes and discuss how their company can help their program. Again, this vendor fair is specifically for the coaches and athletes in attendance. If your company would like to contact WACPC to be a potential vendor with them, please contact me through the email listed at the bottom.

In addition to purchasing a booth at the vendor fair, vendors also have the opportunity to sponsor the break snacks, sponsor the luncheon on Saturday, the Coaches' Social Saturday evening, or the breakfast Sunday morning. Vendors can also have the opportunity to have their apparel seen by the attendees, at our fashion show, to be held during the opening session.

All the pricing information, contract, and terms and agreements can all be found at www.wacpc.com/fall-conference.php. We realize that many companies have regional/state representatives, please feel free to forward this package along to them, or contact me at the email address at the bottom, so that the information gets in the correct hands. Don't forget that if your company is unable to send a representative, your information can be sent and handed out at conference for a \$50/\$75 donation to the organization.

Thank you and we hope to see you at the 2009 WACPC Coaches and Captains Conference!!!

Sincerely,

Cori E. Zietlow Roberts
