Dear Coach,

Congratulations on your upcoming appearance at the WACPC Championship!

Empire Photography, WACPC's official photographer, will be at the Championship photographing teams (required) and individuals at the start of the competition rotation. WACPC has budgeted time for you to take photos before the start of rotation.

Parents and competitors will want to order Championship keepsake photos. Along with this letter are two order forms for products available at the competition; the Posed Photos and Team Attitude Panos.

To place **Orders** please designate a Team Representative (yourself or a parent) responsible for taking orders and gathering payment. Orders and payments should be gathered from parents and participants before competition day. The Team Representative should then make sure that either one Posed Photo Order Form per routine and/or one Team Attitude Pano Form per routine and payment(s) are ready to be handed in to our staff by the coach at the start of the competition rotation. **Please keep payments for Posed Photos and Team Attitude Panos separate.** All orders placed the day of competition will be shipped to the Coach/Team Representative address provided on the order form. Posed Photo Orders take approximately 3-4 weeks for delivery.

When 5 or more Posed Photo products are ordered for a routine the Coach/Team Representative will receive 1 complimentary 8x10 Squad Photo of that routine. There is only 1 complimentary 8x10 Squad Photo print per routine.

Please see the Team Attitude Pano Form for more information about this amazing product.

With this information filled out prior to the start of your competition rotation, photos will go smoothly and quickly!

Please be sure that all completed order forms and payments for your team are brought to the start of your rotation. We look forward to seeing you at the competition!

Sincerely,
Empire Photography
