Team Attitude Pano Order Form

Available day of Competition ONLY!

Team Attitude Panos will be available again this year. Each member is photographed in an individual "attitude" pose and then digitally cut out and spliced together with the other individuals to make a unique panoramic team photograph.

These amazing 10"x30" prints can be customized by adding a team/school name, year. Your panoramic print will be a unique piece of art – these are really exciting photographs!

If your team would like to place an order, please find someone to be your team representative to talk to all of your participants and parents interested in ordering.

We can only accept orders from one team representative and there is a 3 print minimum order. If your group orders 5 prints or more, you will receive 1 mounted print at no charge. Only 1 free print per group.

Completed order forms and payment information must be returned to us the day of the competition. Payment should be kept separate from any other orders placed at the competition. All prints will be shipped to the team representative for distribution.
