Attitude Team Pano Order Form

*Please keep in mind that your Attitude Team Pano will look slightly different than the ones shown here. These are just samples.

Empire Photography is proud to announce a brand new concept in team photos called Attitude Team Panos. We photograph each member in an individual “attitude” pose and then digitally cut these poses out and splice them together to make a unique panoramic team photograph.

These amazing prints measure 10x30 inches and are printed on beautiful metallic paper. We can customize your prints by adding a team/school name, slogan, mascot/logo and/or year. Your panoramic print will be a unique piece of art – these are really new and exciting photographs!

If your team would like to place an order, please find someone to be your team representative to talk to all of your players and parents interested in ordering.

We can only accept orders from one team rep and we have a three (3) print minimum order.

If your group orders five (5) prints or more, you will receive one (1) print at no charge. Only one (1) free print per group.

All prints will be shipped to one address for distribution.

To order please fill out the information for this product on the back of this page.
