

FACILITY AGREEMENT FORM

Review the expectations listed on this page with your team prior to the competition. This form must be signed by every team member in attendance at all WACPC State events and returned with registration materials no later than December 31st.

I _____ (coach/person responsible for the team) understand that we will be allowed to use a classroom or designated area to store uniforms and equipment at WACPC event sites.

I also understand that these areas and their contents are property of the event site host, and I understand that if anything in our area is broken and/or stolen, our school or organization will be responsible for replacing and/or repairing it, whichever is deemed appropriate by the event site host.

We want every team to have their own space, but in return we need to offer assurance to our event site staff that their rooms and property will not be damaged and if problems arise, someone will be responsible. Rooms and/or space should be left exactly as they are found.

Please help us to continue providing this luxury to competing teams in the future.

When there is no one in your room or if your team members are changing, please keep the door closed. Please do not leave valuables unattended. Help us to keep teams only in the team areas. No parents or spectators allowed. This will provide added safety for all team members.

If you are an afternoon team, any concerns you have as you enter the room and/or space from the morning team should be reported to competition staff immediately upon arrival.

Thank you for your assistance.
