

VARSITY REGIONAL QUALIFICATION AND AWARDS

All varsity teams must qualify for the WACPC Wisconsin State High School Cheer and Dance Championships at their regional competition.

Ties are recognized as places; therefore, the number of state qualifiers will increase **only** in the case of a tie for the **last** qualifying position. For example: If three teams in a division would qualify for state, and two teams tie for 2nd place; 1st, 2nd, and 2nd places would be announced as qualifiers.

Bid Waivers-In an effort to provide more opportunity for teams to compete at the state level, WACPC has implemented the Bid Waiver process. In the event your team should qualify for state, but will be **unable** to attend, the head coach should submit the **Bid Waiver Form** with registration materials, as a courtesy to other teams that could then benefit from the opportunity to participate in the WACPC Wisconsin State High School Cheer and/or Dance Championships. Teams waiving their state bid will still be scored and ranked as if seeking a bid. **If a bid waiver form is submitted and confirmed, the waiver cannot be retracted at a later date.**

State Qualifying Information – Upon qualification for the state event, you will automatically be placed on the performance schedule for that event. All information pertaining to the state events, including performance line ups will be available at www.wacpc.com.
